

## **SHRUB MAINTENANCE**

- 1. Shrubs will be trimmed and/or pruned according to their species.**
- 2. Accommodating removal and replacement of shrubs and bushes for purely aesthetic reasons will be at the expense of the requesting homeowner. The HOA will designate the contractor to do the removal and replacement of all shrubs. All resulting debris is to be removed at no expense to the HOA.**
- 3. Removal and replacement requires prior written approval. Landscape & Gardening Request Forms are available in the Administration office.**
- 4. Replacement varieties must be approved by the Landscape & Gardening Committee.**

## **SECTION 8**

### **CLIPPINGS FROM COURTYARD**

- 1. Bush cuttings, leaves, etc. and other rubbish from inner courtyard trimmings must be bundled, tied and/or bagged in plastic trash containers.**
- 2. Please call the HOA office for pick up of cuttings.**
- 3. Please be advised that the Trash Company charges for all extra bags placed at the curb for weekly pick up.**
- 4. Any clippings, rubbish and/or debris generated by a private gardening service are to be disposed of by such service.**
