

A central garden atrium creates the theme for this beautiful condominium. Enjoy the quiet and perhaps the luxury of lingering over morning coffee, protected from the outside world. A modern all-electric kitchen with a breakfast nook and a pass-through bar that looks directly onto the lush green fairways. For more formal occasions the large living-dining room is perfect. And the interior atrium lets you create your own garden environment. Three large bedrooms for lavish comfort include a master suite set apart for privacy. Two elegant baths
